

PRODUCT SPECIFICATION

Vertical Baby Changer Station

Robert Scott Product Code: 100013

Product Description:

High density polyethylene construction with exclusive Microban antimicrobial protection inhibits the growth of odour causing bacteria. Bed features smooth, concave changing area with nylon safety straps and two hooks for bags or purses. Universal instruction graphics and safety messages in six languages and Braille. Built in liner dispenser. Includes steel mounting brackets and hinges. Hidden pneumatic gas spring mechanism provides controlled, one handed opening and closing of changing bed. Constructed from 47 percent recycled material. Meets or exceeds ASTM safety requirements. ADA compliant when properly installed. Contributes to LEED credits.

- Genuine Microban anti-bacterial protection.
- No external hinges to prevent pinch injury.
- Easy clean crevice free design.
- Internal metal skeleton prevents dismantling.
- Moulded-in instruction. No label that can be vandalised or removed.
- Heavy duty gas strut for long life.
